Diagnosis, treatment, and medications for problems unrelated to orthopaedics will be referred to your family physician or other physician of your choice.

If you are a new patient, have a new problem, or have not been seen in the last year, you will be asked to complete or update your records. Current information regarding your medications and lifestyle activities is necessary in order to treat you. Be assured that this information is kept confidential pursuant to current HIPAA regulations.

YOUR APPOINTMENT

Emergencies are a part of our every day practice. If your physician is called to an emergency, it may be necessary to reschedule your appointment. Your patience and understanding are greatly appreciated.

X-RAYS

The Orthopaedic Clinic of Daytona Beach, P.A. has a fully equipped and staffed x-ray department at each office location. DEXA Scan equipment for Bone Density Studies is available at the Mason Avenue office.

PHYSICAL THERAPY

The Orthopaedic Clinic of Daytona Beach, P.A. offers Physical Therapy facilities at our Mason Avenue and TLC locations. The Physical Therapy Department has the latest equipment and a fully trained staff of therapists, exercise physiologists, and trainers.

CANCELING or RESCHEDULING APPOINTMENTS

Having to cancel an appointment is sometimes unavoidable. Please let us know as soon as possible so we can accommodate other patients waiting for appointments.

PRESCRIPTION REFILL REQUESTS

For refills, contact the pharmacy where your prescription was filled. If authorization is needed, the pharmacist will contact our office for you. Authorization is available Monday - Friday during regular business hours.

DISABILITY and SOCIAL SECURITY FORMS

There is a "paid-in-advance" nominal fee for the completion of disability and Social Security forms.

LITIGATION COSTS

The prevailing party shall recover reasonable attorney's fees in any action for charges.
